

**RIVER ROUGE PUBLIC LIBRARY
INCLEMENT WEATHER**

Notice of tornado watches or warnings are received over the City of River Rouge alarm notification system sirens. In the case of tornado watches, library activities will proceed as usual. Patrons will be informed in the event the tornado watch is turned into a tornado warning.

If a tornado warning is issued, the River Rouge Public Library will be closed until an all-clear is sounded. Library patrons and staff will be asked to go to the basement meeting room and will be allowed to remain there until the all-clear is sounded. Unattended minors will be asked to stay in the building until a parent or guardian picks them up or until the all-clear is sounded.
